Author Correction: Behaviour reactions of bottlenose dolphins (*Tursiops truncatus*) to multirotor Unmanned Aerial Vehicles (UAVs)

Ticiana Fettermann, Lorenzo Fiori¹, Martin Bader¹, Ashray Doshi, Dan Breen, Karen A. Stockin & Barbara Bollard

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-019-44976-9>, published online 12 June 2019

This Article contains an error. The following sentence in the Introduction,

“In the absence of previously studies in the peer reviewed literature dedicated to the UAV disturbance assessment, this study is the first to specifically assess UAV disturbance levels on the behaviour of a cetacean species.”

should read:

“With limited previous work¹ in the peer reviewed literature dedicated to the UAV disturbance assessment, this study is among the first to specifically assess UAV disturbance levels on the behaviour of a cetacean species.”
