Overview

CogSci 2011 is the 33rd annual meeting of the [Cognitive Science Society](#), to be held in Boston, Massachusetts, Wednesday, July 20 - Saturday July 23, 2011. We encourage researchers from around the world to submit their best basic and applied work in cognitive science to CogSci 2011, and to attend in order to discuss the latest theories and data from the world's best cognitive science researchers.

CogSci 2011 Proceedings (ISBN 978-0-9768318-7-7): [Mirror 1](#) [Mirror 2](#)

The Science Network's coverage of **CogSci2011** panels and interviews is [here](#).

Apologies! This year's Cognitive Science Awards were omitted in the printed programs. Please follow [this link](#) for the list of recipients. Congratulations and bravo for all the great efforts put forth this year!
